

Advance.

Transform.

It's Never Too Late to Learn

At San Marcos Adult School, our programs and courses provide students with the tools they need to succeed in the classroom, workplace and beyond – all offered for little or no cost. Whether you are pursuing your high school diploma or beginning a new career path, we believe that learning is a lifelong process and it is never too late to follow your academic dreams.

Our mission is to serve our diverse community by providing high quality programs to our students, allowing them to develop their roles as productive members of our local and global community. We work together with industry leaders, businesses, nonprofit organizations, government agencies and individuals to leverage resources to best support our students in their educational journey.

Students achieve career advancement, college preparation and life enrichment goals through individualized programs that are challenging, meaningful and authentic.

Together, with members of the Education to Career Network, we collaborate with industry leaders, corporations, nonprofit organizations, government agencies and individuals to effectively support our students.

“This program has allowed me to earn my high school diploma and apply for a better job!”

– P. Lopez, Student, San Marcos Adult School

Something for Everyone

We offer a variety of high-quality programs and courses to help our students reach their education and career goals. Our programs and courses include:

- **High School Diploma**
To fit the needs and schedules of every student, this program is offered both in an independent study or in-person format.
- **HiSET Preparation**
- **English as a Second Language (ESL)**

Joining Forces – Palomar College Partnership

San Marcos Adult School now offers a Pre-Apprentice Woodworking and Carpentry Program which introduces students to all-things carpentry from machinery and framing, to window installation and molding. Upon completion, students can begin an apprenticeship or transfer to Palomar College's Cabinet and Furniture Technology program.

Your Success is Our Mission

We offer a variety of student support services to help our students stay on the path to success. Our staff is available to support students who are looking to exceed their goals – both inside and outside of the classroom. Student support services include:

- Academic advising and counseling
- Tutoring
- Job development/resume building

Better Together

San Marcos Adult School is one of six schools that make up the Education to Career Network of North San Diego County. The other members include Poway Adult School, Escondido Adult School, Vista Adult School, Ramona Adult School and Palomar College. "The Network" promotes student achievement and preparation for employment by providing relevant educational programs that allow adults to contribute productively to their communities. In collaboration with our community partners, we create pathways and seamless transitions to post-secondary education or the workforce. We ensure students have the support services to accommodate their diverse needs.
